

Rob Davies

H2020 ViMM Project Manager

Rob Davies has been involved with EU research, innovation and policy support programmes for over 20 years. During that time he has initiated and led a large number of successful projects under successive Research Frameworks (dating back to FP3), e-Content, IST-PSP, LLP and several other programmes, addressing important issues in Digital Cultural Heritage (including several Europeana-related actions), Public Sector Information and non-formal education.
