March 17, 2023

Kazakhstan National Commission of the Republic of Kazakhstan for UNESCO and ICESCO presents its compliments to all National Commissions for UNESCO.

We are pleased to inform you that our NatCom in cooperation with the Kazakhstan National Federation of Clubs for UNESCO will organize the **Second International Model of UNESCO “World Heritage” (July 22-23, 2023, Almaty, Kazakhstan)**.

It is gratifying that the UNESCO Model as one of the largest educational projects of the Federation over the past three years has expanded its boundaries from the local to the national level, and today it has the chance to unite young people from all over the world, being implemented at the international level officially under the auspices of UNESCO. This simulation game provides participants with an opportunity to develop their team and leadership skills as well as to expand their knowledge about the priorities of the Organization.

Taking into consideration the current turbulent time and specific need of joined efforts in education of youth in the safeguarding of the UNESCO World Heritage, we are pleased to invite young people aged 16 to 22 from your respective countries to recreate the meeting of World Heritage Committee within the Second International Model of UNESCO “World Heritage” under the auspices of UNESCO.

Registration deadline is April 15, 2023. The event will be held offline on July 22-23, 2023 in Almaty, Kazakhstan.
