

KYΠE - Stavros Koniotis | Limassol

A digital platform was delivered for the cultural heritage of the village of Fikardos

05-09-2024 16:41

Photo: TEPAK

The electronic platform called "e-fikardou", which offers a complete educational and interactive experience, both of the tangible and intangible cultural heritage of the village of Fikardou, was delivered by the Digital Heritage Laboratory of TEPAK and UNESCO headquarters for Digital Culture Heritage, for public use.
