"Digital Humanities Mongolia 2024"

Digital Humanities Mongolia 2024
Advancing Humanities through Digital Innovation

We are pleased to announce the Digital Humanities Mongolia 2024 conference, set to take place on 7th November 2024 at the Academic Senate Hall, National University of Mongolia. This conference aims to bring together scholars, practitioners, and professionals from diverse fields to explore the growing impact of digital technologies on the humanities.

The conference will cover a wide range of topics, including:

- Digital Humanities
- Digital Arts
- Digital Cultural Heritage
- Computer and Human Behavior
- Digital Pedagogy
- AI in Digital Humanities
- Digital Archives
- Data Mining
- Heritage Preservation
- Digital Storytelling

Join us for an inspiring day of insightful presentations, engaging discussions, and the opportunity to network with leading experts in the field. Stay tuned for updates on our **guest speakers and keynote speakers**, who will share their expertise on the latest trends and innovations in digital humanities. Please register on the LINK here.
